## PRODUKT RETURN FORM

You are entitled to leave this agreement within 14 days without giving any reason for this. The cancellation deadline expires 14 days after the date you or any third party other than the carrier designated by you, will receive the goods in physical possession. To use the right of cancellation, you must inform me unequivocally of your decision to leave the agreement (eg. in a letter sent by mail or e-mail).

You may use the attached cancellation form, but it is not obligatory.

In order to comply with the deadline, it is sufficient that you send the message that you will use the right of cancellation before the cancellation deadline expires.

## THE EFFECTS OF THE RIGHT OF CANCELLATION

If you leave from this agreement, we will refund any payments received from you, including delivery costs (with the exception of additional costs due to the fact that you have chosen a different type of delivery than the cheapest type of standard delivery we offer), without undue delay and in all cases no later than 14 days after the day we received notice of your decision to leave this agreement.

We can hold back your refund until we have the returned goods, or until you have submitted proof that the goods have been returned, or to those of these dates that occur first. **You must return the goods or deliver them to us without unnecessary stay and in all cases no later than 14 days after the day you informed us that you would leave the agreement. The deadline is adhered if you return the goods before the 14 day deadline has expired.**
